

SWALLOW SCHOOL DISTRICT

SCHOOL BOARD WORK SESSION

Tuesday, February 13, 2018
Swallow School Discovery Lab– 6:30 P.M.

Members of the Board of Education will meet as participants on the Facilities Advisory Committee with representatives from C.G. Schmidt and PRA to receive and discuss the summary and overview of the *Community Conversations* series held in the district in January, review long term master plan options for the district, and review the updated district Capital Improvement/Maintenance Project list.

A quorum of the school board may be in attendance; however, no board meeting will be convened and no board action will be taken.
