

# SWALLOW SCHOOL DISTRICT

## SCHOOL BOARD WORK SESSION

Monday, February 19, 2018  
Swallow School Discovery Lab– 6:30 P.M.

Members of the Board of Education will meet as participants on the Facilities Advisory Committee with representatives from C.G. Schmidt and PRA to discuss and prioritize maintenance needs and desired improvements to the building and grounds to inform design options and costing for these projects.

A quorum of the school board may be in attendance; however, no board meeting will be convened and no board action will be taken.
