

SWALLOW SCHOOL DISTRICT

SCHOOL BOARD WORK SESSION

Thursday, March 8, 2018
Swallow School Discovery Lab– 6:30 P.M.

Members of the Board of Education will meet as participants on the Facilities Advisory Committee with representatives from C.G. Schmidt, PRA, Baird, and School Perceptions to discuss the district's funding options for identified needs and solutions, the survey design process to engage the broader community around district needs and solutions, and to review updated master plan options to meet district needs.

A quorum of the school board may be in attendance; however, no board meeting will be convened and no board action will be taken.
