

SWALLOW SCHOOL DISTRICT

SCHOOL BOARD WORK SESSION

Thursday, November 2, 2017
Swallow School Room 202– 6:30 P.M.

Members of the Board of Education will meet as participants on the Facilities Advisory Committee with representatives from C.G. Schmidt and PRA to review how classrooms are used currently and the history of the building and associated timelines as a part of the development of a Long Range Facilities Plan.

A quorum of the school board may be in attendance; however, no board meeting will be convened and no board action will be taken.
