

SWALLOW SCHOOL DISTRICT

SCHOOL BOARD WORK SESSION

Wednesday, November 15, 2017
Swallow School Multipurpose Room– 6:30 P.M.

Members of the Board of Education will meet as participants on the Facilities Advisory Committee with representatives from C.G. Schmidt and PRA to review the district's financial outlook, current Capital Improvement Plan, and how large spaces within the building are used as a part of the development of a Long Range Facilities Plan.

A quorum of the school board may be in attendance; however, no board meeting will be convened and no board action will be taken.
