CALL TO ORDER

The work session began at 6:40 p.m.

DISCUSSION

Members of the Board of Education, community, and school staff met for the first Facilities Advisory Committee (FAC) meeting. The meeting began with introductions by committee members, defining the committee's purpose, and determining shared commitments. Then Swallow teachers and staff provided information and led a tour of classrooms to see how their classrooms support learning and ways in which they could be improved. The FAC also completed two input exercises which led to the selection of the FAC's logo and a listing of things committee members learned, want to know more about, and suggested areas to focus the energy of the committee.

The meeting concluded by co-chairs Bob Mallow and John Huggett facilitating a discussion of Plus/Deltas and Swallow staff providing materials to review for the next meeting which will be held on Wednesday, November 15 at 6:30pm.

ADJOURNMENT

The meeting was adjourned at 8:20 p.m.
