

SWALLOW SCHOOL DISTRICT

SCHOOL BOARD WORK SESSION

Monday, March 31, 2014

Library – 6:30 P.M.

The Board of Education will meet and review initial design concepts presented by representatives of the architectural firm PRA. These initial design concepts are meant to address building maintenance needs and desired features of the building and grounds to accommodate educational programming and expected services. The Board will also discuss next steps in the Master Planning Process.

A quorum of the school board may be in attendance; however, no board meeting will be convened and no board action will be taken.
