Present: School Board Members: Rebecca Morrison, Susie Polentini, John Stahl, and Aaron Dentz

Administration: Melissa Thompson and Jeremy Struss

Community Member: Darin Clark

Excused: School Board Member: John Fuhs

## CALL TO ORDER

The meeting was called to order at 4:32 p.m. and the agenda was reviewed.

## DISCUSSION

Those present reviewed projected Revenues and Expenditures based on projected resident student counts and different amounts of open enrollment students which would be needed to round out two sections at each grade level or create a third section at each grade level. The board affirmed that based on these projections open enrollment should continue to be used to round out sections of resident students rather than to create additional sections. The board continued its discussion of how to best continue a long range planning process and asked administration to assist in planning for a *Community Conversation* series to be held in April 2016. A next work session date of February 22 was also set.

## ADJOURNMENT

The meeting was adjourned at 6:05 p.m.
