

Key Messages/ What's Next/Check Out--July 21, 2020

- Key Messages:
 - Survey will be coming out soon and important to fill this out please
 - Reiteration of things that are not changing--no conversation or consideration around some things like recess, specials, etc--not axing things left and right
 - What do A and B mean?
 - May need some continued patience and flexibility with our families--what we try to plan for today may or may not be able to happen Sept 8
 - Other local schools and those in other states begin before us--we will learn from them
 - Majority of this is being driven by Waukesha County; this is a collaborative effort within area/county districts. We are not on an island.

What's Next for the Task Force?

- Meeting August 4 (Suggested Agenda)
 - Survey review
 - Work Group Report outs
 - County Updates if available
 - Nurse updates
 - Framing out plan for board review/commentary/any needed action
- Draft of beginnings of Swallow Reopening Plan document

Checking Out:

- Plus:
 - Thanks for commitment and organization of all
- Deltas:
 -
