

“SNN” Video Club

Dear Parent(s):

This letter is an invitation for your child to join the Swallow News Network (SNN) Video club. The club is open to 5th - 8th grade students and will be supervised by Mrs. Sanchez and Mr. Evans.

Purpose:

The students will learn about the video creation process while producing a monthly or bi-monthly student news show called “The Friday Show.” The show will highlight students, staff, and exciting things happening at Swallow. Students will work as a team brainstorming and planning what to focus on, what footage to gather, and who to have in the videos. They will use iMovie on the iMacs to edit all footage, add sound, title pages, and transitions. The final projects will be shared on Fridays.

Meeting Times and Locations:

Meetings will on Tuesdays and Wednesdays before school from 7:30 – 8:00 am.

Meeting place will be in the Discovery Lab or Library.

Meetings will start November 13th and end in May.

\$25.00 Activity fee required per student.

Parental Consent:

If you consent to your child’s participating in the SNN Video club, and arrange for transportation for your child, please sign and date this letter. Your student should also sign as part of their commitment to Video Club.
