

LEADING FOR CHANGE THROUGH WHOLE SCHOOL SOCIAL EMOTIONAL LEARNING: 10 STRATEGIES TO BUILD A POSITIVE SCHOOL CULTURE

**AN UPCOMING BOOK FROM CORWIN PRESS
BY DR. JENNIFER ROGERS, LPC**

This book is designed for educators and stakeholders who are engaged in systems change work in their local schools and districts. Social emotional learning is being adopted by schools and districts across the country. Many educators understand *why* it is important to use evidence-based practices to improve the lives and educational outcomes for students. However, they struggle with *how* to introduce and integrate programs and processes into their school culture in a systemic way.

This presentation introduces the 10 strategies referenced in the book and gives attendees immediate ideas to begin or continue their implementation of Social Emotional Learning.

About the author

Dr. Jennifer Rogers is the Founder of Rogers Training Solutions, LLC. She works with *educational* stakeholders on developing tools and strategies to increase positive student outcomes. Rogers Training Solutions, LLC provides consulting, professional development, workshops, coaching, one-on-one leadership support for individuals and organizations exploring social, emotional, and behavioral interventions in school environments.

Dr. Rogers professional goals align with the core mission to make social and emotional learning an integral part of education for all students. To reach the goal, her belief is that we must work to support systemic change and create a common understanding for all stakeholders of the benefits of social emotional learning to positive school culture.
