

SOUNDS LIKE SCIENCE!

Thursday, October 11
6:30 - 7:30 p.m.

Want to hear some good vibrations? We'll make waves and some noise in this fun and funky science show at the Town Hall Library! The mad scientist will create a crazy cacophony with a garbage can, a swinging sound tube and a metal pipe! Children will cheer as potatoes pop! What are all the kids talking about? It sounds like science!
