

Mini Sessions

Benefiting the Swallow Education Foundation

Oct. 21-24

SEF has been given the opportunity to host a mini-photo sessions fundraiser at the picturesque Oconomowoc River Conservancy which is part of the Tall Pines Conservancy. The park is a short 5-7 minute drive from Swallow School.

We encourage you to bring along your own props-quilts, hats, etc. Since this is a natural setting, we recommend casual attire rather than formal for the photos. Color-coordinated outfits with layers are good choices.

The photo below was captured during our photo fundraiser with Gergen Photography last fall. The photos to the left show the location of this year's fundraiser at the Oconomowoc River Conservancy.

Only \$150

includes downloadable hi-res digital negatives and photo release (\$299 value)

Reserve your spot on our link posted on the SEF Facebook page.

(Organized and maintained by SEF.)
