## Resources

Wisconsin Statewide Parent Educator Initiative ([WSPEI](#)) is another parent support resource available online, via phone at (833)-879-7734, or on [Facebook](#). This organization will be coming out soon with short videos related to FAQ's families have regarding the special education process.

WI FACETS is a parent support resource that has weekly newsletters as well as free webinar trainings on a variety of special education topics. This month's webinar topics are included below. These are free to attend unless otherwise noted.

- August 16...12:00-12:45 pm
  - [IEP 1: Special Education Basics](#)
- August 30...12:00-12:45 pm
  - [IEP 2: Special Education Referral Process](#)

If you are interested in receiving the WI FACETS newsletter, please click [here](#).

## Did You Know?

According to [Education Week](#), "The percent of students with disabilities who had a specific learning disability, like dyslexia, decreased from 36.7 percent in 2010-11 to 32.7 percent in 2020-21. And the percent of students with disabilities with autism almost doubled, from 6.5 percent to 11.5 percent."

## Collaboration Corner

This is where the question that are submitted will be answered.

## How can we help?

Do you have a question or would you like more information on a topic related to special education? Our department is here to support you. Please complete [this form](#) and we can respond to you directly or if you would like to have us share your question and answer with the group, I would be happy to do so as well.
