

TURKEY TROT

Student Council is holding their annual "Turkey Trot," a fundraiser that raises money to provide Thanksgiving meals for local families in need. We will be collecting money and food donations from November 7-16. Our goal is to collect \$1,250 dollars, which will buy 500 Thanksgiving meals through the Waukesha Salvation Army, and collect 500 canned food donations for the Hartland Food Pantry. This is a really good opportunity for Swallow families to show their support for others in need!
