DAY 3 - A day that is flexible to do whatever you choose. Popular attractions include the Holocaust Museum, National Zoo, Smithsonian Museums or a short trip to Georgetown.

DAY 4 - Today we visit George Washington's Mt. Vernon for a guided tour. A stop in historic Old Town Alexandria caps off our journey before departing home.

one mission: Make Lifetime Memories!

We all remember a special class trip that we took as a child. Maybe it was a band trip to New York City or a journey to Nashville with the debate team. Whatever the situation, there were some aspects of the trip that you remember to this day. That essence is what we build this experience around. We attempt to present educational opportunities and bridge them with the chance to build a lifetime of memories.

GENERAL HEALTH TRAVEL ADVISORY

As travel opens up around the world, all destinations, airports, air carriers, hotels, restaurants, transfer companies, car rental companies, shops and excursions have established Health & Safety Measures (including COVID-19) and precautions which may change from day to day. These safety measures may include but are not limited to curfews, attraction closings and reduced hours, masking requirements, size of group gatherings, social distancing requirements, health screenings and self-quarantine requirements. In addition, you must follow CDC guidelines and the recommendations of health officials. Please note that any public location where people have been or are present provides an inherent risk of exposure to COVID-19 and other illnesses and Regalis Group LLC, partner companies and related suppliers cannot guarantee that you will not be exposed during your vacation. By traveling, you agree that you assume these inherent risks associated with your vacation. Any and all additional costs will be your sole responsibility. You must understand that suppliers may not apply pandemic-like protective policies and practices as diligently as the policies suggest. Even if the supplier makes a good faith effort to enforce its good practices, some travelers may refuse to cooperate and put you at greater risk. You need to perform your own due-diligence to be sufficiently informed of the risks involved when traveling and using us to plan your travel. We do not offer any refunds/credits for unavailable services or features.
