Reviews

"I've always enjoyed the wordplay in this poem."

-Valerie Haun Hays, English teacher and mother of a six-year-old

"I love this [book] so much! It has the spark for the imagination, the possibility of teaching (animal names), a flow that kids will love, and the challenge and joy of saying it aloud."

-Kari Keever Hall, mother of four

"*Many Greetings, Many Faces* is wonderful! I love all the different animals."

-Jennifer Tate, math teacher and mother of four
