

DETERMINING ACCEPTABLE CLASSROOM FOODS

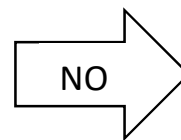

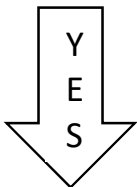

Is product homemade?

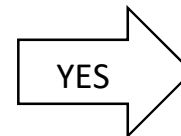

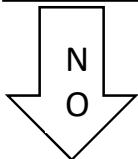

Exceptions are permitted for cheese and fresh produce for individual student snacks. Any cheese or fresh produce that is to be shared in class must be prepared (washed and cut up) in a nut safe environment.

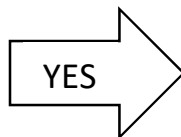

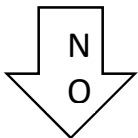

Does product have a commercial label?

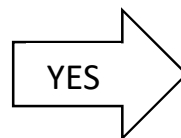

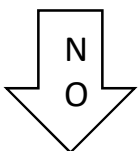

Is product labeled as containing peanuts or tree nuts?

Is product labeled with precautionary statement specifying: May contain traces of peanuts or tree nuts (or similar)?

Is product labeled stating: Manufactured in a facility or on equipment that also processes peanuts or tree nuts (or similar)?

Does NOT Meet the Requirements of An Approved Food

Food product is allowed in classroom

Although it is not a requirement, it is recommended to refrain from using candy as a treat to be shared with the class even if it meets the nut safe guidelines.
