

we learn, we build, we play with  
**LEGO® Bricks**

# AFTER SCHOOL

So fun it won't feel like learning!!

## Early Engineers at Swallow School!

### After School STEM Enrichment Program

Bricks 4 Kidz classes provide an extraordinary atmosphere for children, where we learn, we build and we play...with LEGO® bricks. Students build a new model each week, designed by B4K engineers and architects, with exciting themes that kids love! We use technic LEGO®'s, teaching students how gears, pins and axels work together to create movement. We have multiple levels of difficulty for each build of the day to accommodate younger or less experienced builders to the older or more seasoned builders. Our models are motorized, designed to give students the skills they will later use in robotics courses, while developing team building skills and HAVING FUN!!! There are six classes per session and sessions are never repeated! Each session will focus on a different theme with new challenging builds.

### Ticket to Ride

Get your ticket to ride at Bricks 4 Kidz very own Amusement Park! Students will build a new ride each week learning how to make things spin, roll, turn and rock! Twist on a tilt-a-whirl, spin on a carousel swing and soar on a dragon ride. Motorized models maximize the action and fun!

ENROLL TODAY - CLASS SIZE IS LIMITED - LESSONS WILL NEVER BE REPEATED

### Class Information

Price: \$84.00 / 6 week session  
Grades: 5K-5<sup>th</sup>  
(build plans vary based skill level)  
Tuesdays: Apr. 24 - May 21  
Time: 3:20 - 4:20 pm  
Location: Swallow School - TBD

Payment/Cancellation Policy:  
Tuition is 100% refundable until the first class. No credits or  
refunds will be given after the first day.

For further detail on our classes, camps and to register  
online, please visit our website at:

[www.bricks4kidz.com/build-wi](http://www.bricks4kidz.com/build-wi)  
**(262) 271-5692**

This is a building class only. Sorry, our motorized robotic models do  
not go home with students, however, they take home a custom mini-  
figure at the end of the session!
