

# Looking to Make a Difference as a Teacher?

## This Program is for YOU!

CESA #1 has been working hard to help increase the pipeline of teachers in shortage areas and substitute teachers for your districts and schools. We are excited to share information with you regarding our **Become a Teacher Open House event taking place on June 1, 2017.**

The Open House is for people who have a Bachelor's Degree and are interested in becoming a teacher. Participants will learn about licensing options, how to find district vacancies, how to become a substitute, and how to become a teacher through the [Proficiency-Based Licensure Program \(PBL\)](#). The PBL program is an alternative route to initial teacher certification and/or add on certification for currently licensed teachers. People who participate in this program teach on an emergency permit while they are completing the program and could start working as a teacher as early as this fall. PBL offers the following licensure areas:

- Alternative Education
- Business Education
- Bilingual/Bicultural Education
- Computer Science
- Cross Categorical Special Education
- Early Childhood Special Education
- English as a Second Language
- Family and Consumer Education
- Mathematics
- Music
- Other World Language
- Science
- Technology Education

More information about the Open House on June 1, 2017 can be found on this [flyer](#).
