

Participate in Swallow School's Summer Reading Challenge!

Want to start next year off ahead of the game? Don't let summer pull you down! Studies show, children who read regularly over the summer are better prepared for the next school year. Consider having them be part of the Swallow School Summer Reading Challenge! Have your child fill out the attached form recording the books they read over the summer. Turn it in at the beginning of next year with a parent signature. Each student participating will receive a new Scholastic book!! All forms will be entered into a drawing to win a basket full of books! These baskets are currently on display in the library. Come check them out!

Please consider having your child be part of this fun and worthwhile challenge! Looking for some great reads? Check out this [LINK](#) for grade appropriate suggestions from the American Association of School Librarians! [Recommended Books by Grade Level](#)

Also, students will be able to check out books for the summer from the Swallow Library with parent permission. See Mrs. DiPietro for more details.
