

NOV. 25TH-DEC. 9TH SPREAD THE WARMTH

Coats, Hats, Gloves, Boots...We need them all!

Do you have any gently used or new hats, gloves or scarves? Have you or your child grown out of coats or boots that have barely been worn? Are they in a condition where these items can go to a new home? Then we can take them! The Lake Country Optimist Club is collecting items to donate to **Lake Country Caring**. They are in need of all of these items to service our community. There is a box located at your school's office. Please drop off items there. Items will be picked up after school on December 9th. Please help our community take care of each other. Thank you!
