

Needing Family Photos? Our first ever **PHOTO SHOOT FUNDRAISER!**

We have an AMAZING photographer Heather Gergen (here is her FB page <https://www.facebook.com/GergenPhotography>) who will be doing our sessions on Oct. 9th-11th.

We have two beautiful back drops to choose from. Our natural scenery option will be in the gorgeous back area of Our Saviors Church (next door to Swallow) and will have options for a Fall or Christmas theme. The second choice is across the street from Swallow, The Four Winds farm. The extra special note about this rustic chic look; this is the final year the Vilter's will have the farm so it could be a last chance photo opportunity of this historic Hartland farm.

More photo samples of each venue will be sent in a separate email but if you already know your venue choice please [CLICK HERE](#) to reserve your spot.

LIMITED SPACE AVAILABLE! Please share with anyone who is in need of photos... grandparents, neighbors, Seniors, extended family, friends, co-workers.

You can even GIFT A SESSION!

Pricing \$150/20-minute sessions includes digitals. (A good portion will be given back to SEF) \*Our rain date/waitlist is Oct 16-18th.
