

Mini Sessions

Benefiting the Swallow Education Foundation

Oct. 9, 10 & 11

SEF has been given the opportunity to host a mini photo sessions fundraiser on two properties that are near and dear to our Swallow family, Four Winds Farm (rustic chic) and Our Savior's Lutheran Church (natural). Dr. Thompson and her family are modeling the two different locations.

We encourage you to bring along your own props-quilts, hats, etc. Due to COVID concerns, we will not be providing a quilt to sit on for portraits, but you may bring your own.

Only \$150

includes downloadable hi-res digital negatives and photo release (\$199 value)

Reserve your spot on our link posted on the SEF Facebook page.

(Organized and maintained by SEF.)

If all spots are full, remember to add your name to the wait list for the following weekend, Oct. 16-18.

If we have good weather the first weekend, we will offer more sessions the following weekend.
